RIDGE PANTRY | ONGOING

Launched in 2018, our food pantry addresses food insecurity in multiple surrounding communities by directly distributing groceries to families in need. Our goal is to continually expand our current capacity of 100 families.

AWAKEN YOUTH CENTER | ONGOING

Completed in 2021, our state-of-the-art youth center allows us to serve people between the ages of 11 – 25. Our goal is to minister to hundreds of youth and young adults every week and to train them to be leaders for Jesus in their families, schools, workplaces, and communities.

RIDGE CHURCHES | ONGOING

Our vision is to plant or revive 100 churches. This will be accomplished through a combination of physical planting, healing existing churches, and adopting like-minded churches entering a new stage of their lifecycle.

RIDGE PARK | COMPLETION 2022

Ridge Park is a 5-acre, prime plot of land that we're developing into an amazing community playground. We broke ground in 2019. The goal of this park is to create a safe place where the community can connect, families can make memories, and people can be reached with the Gospel.

RIDGE HELP & PRAYER CENTER | LAUNCHING 2022

Though we're not counselors, we want to be a place people can turn to for Biblical help and prayer for many community needs (e.g., domestic abuse, marriage support, financial guidance, faith training, parenting, etc.).

RIDGE SCHOOL | LAUNCH DATE TBD

Our goal is to build a new main church facility while converting our current 12,500 sq. ft. space—and adding an additional 12,500 sq. ft.—to give kids an exceptional university-style education. We want to provide a solid education to pre-k through 8th-grade students, while also helping them develop a Biblical worldview and a strong foundation of faith.

RIDGE UNIVERSITY | LAUNCH DATE TBD

Ridge University will provide a hybrid of on-the-job training, relational skill development, and distance learning education for those called to ministry as a vocation. We'll partner with an accredited Christian university.

RIDGE COMMUNITY | LAUNCH DATE TBD

We plan to acquire assets in our community to serve those in need of temporal housing while helping them heal, recover, and develop biblical principles/boundaries that strengthen their walk with Jesus. These services will allow us to serve single parents, veterans, widows, the elderly, and the homeless.
