

# LEGACY PLAN

## MAKE A DIFFERENCE

### 2019 Ridge Pantry

Ridge Food Pantry has been tackling food insecurity by providing groceries to families in need, currently we're serving over 100 families in our community. Our vision is to expand our capacity, reach more families, and build sustainable support through strengthened partnerships. Together, we can create a brighter future for our neighbors.

### 2021 Awaken

Completed in 2021, our state-of-the-art youth center is dedicated to serving individuals between the ages of 11-25. Each week, we aim to minister to hundreds of youth and young adults, equipping them to become leaders for Jesus in their families, schools, workplaces, and communities.

### 2022 Ridge Park

Ridge Park is a 5-acre plot of land being transformed into an incredible community playground. Since breaking ground in 2019, our vision has been to create a safe and welcoming space where the community can connect, families can create lasting memories, and lives can be impacted by the Gospel.

### 2024 Ridge Academy

Ridge Academy provides students in PreK-4th grade a deep understanding of God's love and teachings, guiding them in ways that impact their community and the world. Our university-style education, grounded in the Word of God, prepares students to live purposefully for Jesus. Our vision is to expand our capacity up to 8th grade to reach more families.

# FUTURE RIDGE PROJECTS

#### NEW CHURCH

Our goal is to build a new main church facility while converting our current 12,500 sq. ft. space—and adding an additional 12,500 sq. ft.—to give our Ridge Academy students an exceptional university-style education.

#### UNIVERSITY

Ridge University will provide a hybrid on-the-job training, relational skill development, and distance learning education for those called to ministry as a vocation. We'll partner with an accredited Christian university.

#### CHURCHES

Our vision is to plant or revive 100 churches. This will be accomplished through a combination of physical planting, healing existing churches, and adopting like-minded churches entering a new stage of their lifecycle.

#### COMMUNITY

Our vision is to transform lives by acquiring community assets to provide temporary housing and Christ-centered support. We will serve single parents, veterans, widows, the elderly, and the homeless, fostering healing, recovery, and biblical growth to help individuals regain stability and strengthen their walk with Jesus.

#### PRAYER & HELP CENTER

The Prayer and Help Center will be safe space where individuals can find Biblical guidance, support, and prayer for life's challenges. We are here to walk alongside those in need, offering faith-centered encouragement and resources for issues like domestic abuse, marriage support, financial guidance, parenting, and more.

# LOVE GOD. LOVE PEOPLE.
